## WATER AND WASTEWATER EQUIPMENT

### **ALL PRIME PUMPS**

- Self-priming Pumps & Systems
- Engine Driven Self-priming Pumps

### **CHESTERTON**

- Cartridge and Split Mechanical Seals
- Mechanical Packing
- ARC Specialty Coatings
- Oil or Grease Lubrication Systems

### **GLOBAL PUMP MARKETING**

- Calpeda – Centrifugal Pumps
- DP – Multistage Stainless Steel Inline Verticals, Packaged Pump Booster Systems
- Garbarino – Single Stage Vertical Inline Pumps
- HDL/AVK – Full Flow Ball Check Valves

### **GEHO – WEIR MINERALS**

- Positive Displacement Slurry Pumps

### **LUTZ - JESCO AMERICA**

- Solenoid, Mechanical & Hydraulic Actuated
- Metering Pumps & Complete Systems
- Centrifugal Magnetically Driven Pumps
- ¼” – 3” Air-Operated Diaphragm Pumps
- Dry Chemical Feed Systems

### **NOV - MONOFLO**

- PC Pump Aftermarket Engineered Parts Source
- Industrial, Mining & Municipal Applications

### **MWI – MOVING WATER INDUSTRIES**

- Large Axial Flow Propeller Pumps
- Electric and Hydraulic Driven Submersibles and Diesel Driven Pumps

### **TRILLIUM FLOW TECHNOLOGIES**

- Floway – Vertical Lineshaft Turbines Submersible & Mixed Flow Turbines
- Atwood & Morrill Engineered Valves

### **TSURUMI**

- Sump & Non-Clog Sewage Pumps
- Quick Removal Guide Rail Systems
- Control Panels and Accessories
- Trash Pumps, FHP Decanter Pumps

### **WEIR MINERALS**

- Warman, Galigher, Ash & Hazleton Rubber Lined & Hard Metal Slurry Pumps
- Slurry, Utility & MSHA Ex-proof Submersibles
- Slurry Knife Gate & Pinch Valves
- Cavex – Laminar Spiral Hydrocyclones
- Linatex – Rubber Products – Pipe & Hose
- Peristaltic Hose Pumps

### **YEOMANS, MORRIS & GRUNDFOS PUMPS**

- Sump & Sewage Pumps To 20”
- Non-Clog Wet Pit and Dry Pit Submersibles
- Shone Pneumatic Ejectors
- Vortex Grit Pumps (Series 6100)
- Sewage Pumps to 54” (Series 7100)
- Easy Lift™ Packaged Lift Stations
